CLASS DESCRIPTIONS

Creative Dance is an introduction to dance and creative movement. Focus is on loco motor movements, rhythm and coordination required for Ballet and other dance disciplines. Classes are offered in 30min and 45min lengths for your convenience. It is recommended to start your preschooler in a 30min class if this will be their first experience with dance.

Tot Hop is a foundational dance class that builds rhythm and coordination using fun kids hip-hop music. This is a great class to move and groove and have fun! Our Tot Hop classes are offered at convenient times so parents can choose to take it in addition to another dance or tumble class for preschoolers or all on its own.

Tiny Tumblers Students will be introduced to tumbling, balance, strength, and flexibility skills. They will also practice social skills such as working with a group, waiting for their turn, and listening to directions.

Musical Theatre/Broadway Babies Musical Theatre will expose students to Jazz, Ballet, Lyrical, and other styles found in Broadway Musicals. Students will be encouraged to adapt to a variety of styles of dance and music. Broadway Babies is the name of our Musical Theatre class for students ages 3-4 and 4-5. We are going to have an original production in the Fall that features all of our Musical Theatre and Broadway Babies students as well as our Training Group students.

Hip Hop Jam Hip Hop is a current style of Jazz that includes some of the latest moves seen in films and on television. Hip Hop includes some of the technical aspects of Jazz, but is much more of a styling dance class. There is no formal recital for this class but there will be some fun family performance demonstrations. (Hip Hop Jam Rec (K-2nd) does not perform in the recital.)

Kinderballet/ Tap is a combination Ballet/Tap class for students who are in kindergarten. This class is designed to develop the student's beginning Ballet and Tap vocabulary and technique.

Primary Ballet/Tap is a combination Ballet/Tap class for students who are in kindergarten through 2nd grade. This class is designed to develop the student's beginning Ballet and Tap vocabulary and technique.

Acro is a fusion of classical dance technique and acrobatic or gymnastic elements, blended in a dance context. Our Acro teachers are certified by Acro Arts and focus on the 5 pillars of Acrobatic Arts in their classes: Flexibility, Strength, Balancing, Limbering and Tumbling. (If you enroll in Acro, it is strongly recommended that you also enroll in a combo class.)

TUITION AUTO-MONTHLY

- 30 minute class \$59/mo.**
- 45 minute class \$75/mo.**
- 60 minute class \$89/mo.**

Each student will be charged their longest length of class in full and then move to the tiered discount chart below for additional classes.
